Before & After Care School Care continued...

*No School Day Policy:

- Students must register two weeks in advance
- Minimum of five pre-registered and paid in full students
- If minimum is not reached, registered families will be notified and refunded as soon as possible.
- No care will be provided during Christmas Break or Spring Break.

Registration Policies

- Care for days when school is not in session is not included into the package hours. Families must register for no school day care separately. The cost of care on a no school day is a flat rate of \$60, full or part time. Payment of no school days are due at the time of enrollment. Costs for these non-school days is non-refundable or transferable unless there are less than five students who have enrolled.
- Any unpaid before & after care balance that remains after the 20th of the month will cause the enrolled child to be suspended from attending until the balance is paid.
- Families who are late to pick up their child past 5:30 p.m. will incur a \$25 flat rate late fee for every occurrence. The only exception to this rule is a documented emergency.
- If a family goes over their agreement hours in any given month, they will be billed on the following bill cycle for any care in excess of their agreement. All before & after care fees are non-refundable.
- There are days when we will have to close due to hazardous weather or other emergency situations. There will be no credits on tuition given for these closures.
- Costs for before & after care is not subject to discounts or refunds for unscheduled family vacations (please see deadlines and schedule adjustment policies), or extended absences other than hospitalization, contagious illness, or at the request of a physician (for three or more days).
- Checks, Credit and/or Debit Card payments that are returned unpaid will incur a \$35 non-refundable fee.
